Flocknote registration

As primary teachers of the faith, parents play a key role that we are privileged to support. On a practical level, we hope to keep parents abreast of all activities by sharing all communication with parents. We also invite any parent of youth ministry participants not aware of the St Peter Youth Ministry Facebook page to visit and like the page to keep up with our activities. Some communication may be sent to youth only if no information is available for parents. The primary way we will communicate with families will be via flocknote text.

Media

All St. Peter Family Formation activities are subject to photographs and video recordings for the purposes of recording the event, recognition of the participants, and/or for promotional activities.
