

Family Faith Formation

2017 Schedule for PreK-5th grade

Family Faith Formation is a redesigned Religious Education program that invites parents to partner with catechists from the parish to raise children in the Catholic faith. Throughout the month, parents will receive classes on the same topic as their children, followed by the opportunity to explore the theme alongside their children. Prayer time as a family is also incorporated into the program. "The family that prays together stays together."
